

School Improvement Plan 2024-2025 For Parents

Literacy

- Use updated assessment toolkit with new colours Got it Green and Active Amber for marking
- Create SJO Grammar progression framework to ensure consistency
- Continue to support PM writing methodology across all stages
- Work towards achievement of silver level Reading School award

Numeracy

- Create bespoke SJO Numeracy Pedagogy Toolkit in line with resources
- Engage with St Margaret's cluster approach to introducing Building Thinking Classrooms
- Further develop specific support for learning within numeracy for targeted learners.

Health and Wellbeing

- Work with Equity Team to support opportunities for all learners
- Continue to implement progressive HWB programme
- Further revise outdoor learning progressive planner across school
- Continue to employ One Trusted Adult approach to support wellbeing
- Deliver Parental Engagement sessions to support understanding of Outdoor Learning

Developing in Faith

- Refresh House Groups linked to new Values statement
- Engage with cluster focus on the Global Compact for Education
- Participate in the Child Consecration Journey (P5 +P6)
- Deliver parental session to support delivery of God's Loving Plan and Sacramental preparation
- Develop whole school/whole year Mass celebration calendar

Developing our skills for life

- Continue to record and share wider achievements
- Incorporate celebration assemblies for wider achievement
- Ensure consistent approach for all classes to participate in outdoor learning
- Deliver parental engagement marketplace (during parent consultation evenings) to highlight opportunities for families

'Born for Greater Things'
